

CRY FREEDOM PROJECT (MAJOR GRADE!)

APARTHEID:

Instructions:

Cry Freedom Video Guide

After watching the movie "Cry Freedom", complete the video guide to help you understand the effects and motives of Apartheid on the South African society that were shown in the movie. After the movie, you will create a movie critique and a movie poster portraying Apartheid in South Africa. The video guide is worth 10% of your project grade!!!! Do not be absent during film!

Movie Critique:

Write a critique of the movie's portrayal of apartheid and its impacts on South Africa today. Use specific details to prove the criticism. The paper should reflect how apartheid affected the society of South Africa as shown in the movie "Cry Freedom." Provide specific examples from the movie on how apartheid affected the people in South Africa. Be specific on who was affected, how they were treated, and possible lasting impacts on society. Making connections to other places in Africa and the wider world will further strengthen the critique. The paper must be in paragraph format, have complete sentences, and supporting examples.

The essay is worth 50% of your total project grade!!!!

Movie Poster

You will construct a movie poster that shows how apartheid affected the society in South Africa. You must include symbols representing apartheid. You must color your movie poster. Please be creative and make sure that it is complete. The movie poster is worth 40% of your grade!!!!
